Notes from the Office of the President

Greetings from "The President..."

Well my fellow fishermen and fisherwomen, it looks like old man winter and Mother Nature combined against us again. To all those that were able to overcome the hardships of fishing cold water again. I applaud you. I would like to acknowledge our newest member, James Renfro.

I would also like to acknowledge our winner of the tournament, John Caines. I personally know what hardships John had to deal with to overcome and bring home a victory. I applaud you, John Caines.

I also want our members to know that our great passion for this sport drives us to keep on keeping on when we physically are hurting and mentally can't concentrate on our task at hand. I hope that you younger members strive to keep your bodies as healthy as you can so you can enjoy this sport as long as you can.

Remember doing good maintenance on our bodies is like doing good maintenance on our boats. You will either be out on the water enjoying the day or still sitting at the boat ramp.

Hope to see y'all at Lake Tyler,
J.D.
