

August 2014 Newsletter

Notes from the Tournament Director

With only 4 club tournaments left for 2014, Greg is holding on to the lead in Standings. It looks to be a 4 man race to the end though. Sheena is holding on to the lady angler of the year lead at this time.

Next Tournament: Will be at Eagle Mountain Aug 30 launching at the new ramp by the dam. Start time is 5:00 am and weigh in will be at 1:00 pm.

Top 6 Tournament:: Greg, Danny, Stephen, Adam, Mike, and Ryan will represent DFW Bassmasters in the Top 6 BCT(Bass Clubs of Texas) tournament at Lewisville on Sept 7th. Should be a fun time.

Fork Club Tournament Special Announcement: On Sept 13 at our regular Fork club tournament, we will be holding a separate pot to be awarded to the highest finishing **lady entry** . We will be using \$15 of their entry to go towards this and will be a winner take all. They will also be competing against everyone in the regular Club Tournament If all goes well, we will bring it up for a vote to implement a certain number of these every year. So bring your wives, girlfriends, etc to Fork.

TBF Federation News: Texas TBF angler James Biggs just qualified thru the Federation and fished the FLW Cup and finished 17th place and won \$15,000. He also fished BFL All American, and will be fishing the FLW Tour next year with all expenses paid.

Membership: We have about 35 members this year and can use more. We really need boaters that would welcome non-boaters to fish with them any time. I have had several calls and emails of non-boaters wanting to fish with us, but it is just too much to try to make sure that they get a boater partner. Our TBF members are required to always offer our non-boaters a ride if they have not secured a partner.

Rule Changes and Nominations for 2015:: Now accepting nominations for 2015 officers and proposed rule changes for 2015. Please get them in writing to me by Oct 1.

Treasury: Our current **Treasury** balance is \$906.33. We will set aside \$300 for TBF Top 6 in November. So if we average 20 entries per event for the rest of the year for about \$400 total our expected year ending club balance before our banquet will be about \$1006.33 give or take a hundred bucks.
