BASSMASTERS

Notes from the Office of the President

Well another tournament is in the books. Who would have thought that rain would be a factor for August and cooler temperatures. I know I would rather have rain than 108 temperatures. Congratulations to all the winners. Like to give a shout out to our newest members that joined the club yesterday. Welcome. Also would like to let everyone know that big changes are being proposed for our club for next year. I believe that it will be for the better to grow our club and to make our tournaments more rewarding for all. Yours for better fishing. JD.

With 3/4 in the books, our treasury balance is \$1130.52. We have \$66 coming out for Webhosting and \$300 for BCT Top 6 so about \$755.
