

February 2014 Newsletter

Notes from the Tournament Director

We now have 2 club tournaments on the books for 2014 and Greg Schmeisser is holding the lead. The next tournament at Tyler will be headquartered at the Marina. Start time is 7:00 am and be back at ramp area at 3:30 pm. All anglers must check in at the ramp.

TBF Federation Members: We currently have about 7 TBF Federation members and are expecting at least 3 more to sign up next week. The deadline for becoming a member and being allowed to fish the State Qualifier on the first weekend of April for the Texas TBF will be Friday February 28. You should be able to pay on line and if not let me know by the end of February.

Website: Please keep them pictures coming and I will post on our Facebook page as well as our Gallery and you never know, it may be posted on our Homepage.

Membership: We would like to welcome new member Mickey Cauthron. We now have about 26 members signed up for 2014 and should get another 7 or 8 by the end of March.

2014 Schedule: As you can see on our schedule and on the 2014 membership form that 6 of the lakes have already been chosen by the officers per the new by-law that was voted and approved. The remaining 6 lakes will be chosen by the members of the club. Please consider low water when making your choice. The schedule will be finalized at the banquet so if you are not going to be there, please scan your membership form to me.

Treasury: Our current **Treasury** balance is \$1041.33. We will set aside the \$300 for TBF Top 6 to use at the State Qualifier in April since they did not use it for Top 6 in November. We also plan to set aside \$300 for TBF Top 6 in November, \$300 for the Club Top 6 in Sept at the BCT event, \$200 for Club Tourney of Champions in June. So if we average 20 entries per event for the rest of the year for about \$1000 total our expected year ending club balance before our banquet will be about \$941.33 give or take a hundred bucks.

2014 Officers: Tourney Director– Danny Joiner, VP– JD Elliott, Treasurer and TBF Chairman: Bennie Anderson, Webmaster- Danny Joiner.
