### Notes from the Office of the President

From the office of the president. I would like to congratulate all the winners on Ray Roberts tournament. I was out of town. Now the Joe Pool tournament. Congratulations to the winners. Two overs on difficult day. Very hot and a slow bite. I don't know about the rest of you but we need a better lake selection process for next year. This year was terrible. And we need to do something different for the hot weather tournaments. Next up Cedar Creek August 11. Hope to see you all there. Remember put the right bait in the right place you get bit every time.
