Hello Club Members and Potential Club Members

We are half way thru our club schedule for 2012. We sent about 6 Federation anglers to the State Qualifier tourney at Hubbard Creek and none of us advanced this year. We had a very successful Kids Tournament at Joe Pool with great sponsor support. We have really taken care of our fish this year and I will do anything that I can especially in the summer months to keep our fish healthy . Congratulations to Shawn Sherwood with that 8.99 lb bass from Palestine which is the largest of this year. Shawn is also leading in Year to Date Standing. However the Top 6 or 7 are very close and can change every tournament. We are averaging about 22 or so entries at each club tournament and would like to get that number up to 30, so invite some guests to fish with us. It is also that time of year where we start thinking about rule changes for the following year and in September we will submit our rule proposals in writing and will vote on them in October.

Up coming events

Memberships & Treasury for 2012

We currently have about 39 paid club members with 11 being TBF Federation members Our current Treasury balance is \$980.87. We will set aside \$200 for Tourney of Champions in June, \$300 for Fun-n-Sun Top 6 in Sept, and \$300 for TBF Top 6 in Nov. This leaves us with \$180.87 and we expect to take in \$100 for each of the next 6 tourneys and will end up with \$780 at the end of the year which will all go towards end of year awards and the banquet.

See you all at the Cypress Springs tournament.

Have a great day!
