**TBF Federation Central Divisional:** Danny ended up in 6th at the Central Divisional when he needed to make the Top 2 to advance to the TBF National Championship. Luckily for him as well as 2 other DFW Bassmasters anglers get another shot at it at the TBF National Semi-Finals on Oct 8,9 at Richland Chambers.

**Membership:** We need to get a few more anglers to fish with us as our tourney participation is dwindling. Several non-members with no boat have expressed interest in fishing with us.

**Annual Banquet:** We will have our annual banquet on Dec 3rd. JD will try to secure a good room for us with food.

**Treasury:** Our current **Treasury** balance is \$1259 after the first 8 tourneys of the 2016 year. Looking forward to another great non-profitable year.

**Club Rule Changes:** Please get your club rule change recommendations in writing to an officer on or before Sept 17 as well as officer nominations. We will vote on these at our Lake Fork tourney meeting at 7:00am.

**Calcutta:** Get in it while you can

**Texas TBF Federation:** Stay tuned for new upcoming Texas TBF messages and possible rule changes to more align with National TBF
