BASSMASTERS

Notes from the Office of the President

My fellow Bassmasters another winter tournament at Sandlin. Will it ever get warm. The fishing was hot as almost everyone had a limit. Congratulations to Aaron for a nice winning stringer.

Hawkins was another post-cold front tourney with a tough bite and I didn't have a keeper till after 1:00. For the 1st time in our club history that a high school freshman (Austin Burda) has won our tourney. You had a pretty good guide! Like the old saying "never give"! Hope to see you at Bob Sandlin remember but the right bait in the right place you get bit every time. JD. Later
