BASSMASTERS

Notes from the Office of the President

Lake Arlington....what can I say? It has been a good lake for me. We had to switch from Joe Pool to Arlington due to high water. Who would have thought? A month ago most lakes in our area were too low to fish and now they are too high to fish. I know that we can be thankful for all the rain but I have to say we have had enough.

I also want to say a special thanks to all my fellow Bassmasters at the weigh-in for the acknowledgement to me for winning the tournament. I know the Lord has blessed me with such good friends and fellow fisher persons as you all.

Thanks again,
J.D.

TBF Federation News: The Junior State Qualifier is just around the corner so if you know kids age 11 to 14 that would like an opportunity to fish and advance for chances of scholarship money getting them to sign up.

Membership: We currently have 37 members.

Treasury: Our current **Treasury** balance is \$1215.53. Looking forward to another great non-profitable year.

Youth: It is that time of the year to start asking for door prize donations for our 9th Annual Kids Fishing Tournament in July.

Calcutta: Our Calcutta was won by JD so we will start it over on June 6.
