### **Hello Club Members and Potential Club Members**

We had another great year in 2011. We have voted to merge with DFW Bassmasters and will be known as DFW Bassmasters starting in 2012. We look forward to even a better bass club for our members. Our tournament entry fees for 2012 will be \$30 per person and \$20 for women. We have also voted that the members of the club will decide what lakes we will fish so please make sure you get your membership form back to us somehow before or at our Dec 3rd Banquet, whether you pay your membership dues or not. We will be accepting the forms from Current Vought Bass Club and DFW Bassmasters members as well as new 2012 members that pay their dues by the Dec 3rd meeting. The newly elected officers for 2012 will be President: Randy Burrell VP: JD Elliott, Secretary/Treasurer: Bennie Anderson, Tournament Director/Webmaster: Danny Joiner, Awards/Program, Federation Director: Mike Burda. For 2012 we will fish 12 club tournament, we will send our Top 6 to the Fun-n-Sun Bass Club Championship, we will send our Top 6 TBF members to the year ending Texas TBF Top 6 Club Championship, our TBF members will be able to fish the Texas TBF State Qualifier tournament, We will have our Tournament of Champions tournament, we will help out with the Optimist Club's Big Bass Bonanza and will have our Annual Kids Tournament at the same time.
