## Notes from the Office of the President

Well, another Bass Tournament Year has ended for our club. Our last tournament was at Bob Sandlin. The lake did not give up any big fish stringers but there were plenty of little fish to go around. Congratulations to all the winners.

I would like to acknowledge our Angler of the Year, Ryan Caines. What a great year for him. He's a great example of "it's not how you start, it's how you finish" that counts. I would also like to acknowledge our "Rookies", Logan Slaughter and James Bailey, for this year. They definitely proved they know how to fish. I definitely see a great future for these BassMasters. A final note: I can say, because I lived it yesterday, lost a big fish and lost tournament. When you hook a big fish, you need to take control and don't let the fish control you.

Yours for better fishing, J.D.
