Notes from the Office of the President

I would like to give a congratulations to the winners of the Cedar Creek tournament as well as the Bob Sandlin tournament. It's a good thing for Kentucky Bass. A lot of weights would have been a lot lower, including mine.

Well, I would like to say something about Mike Burda's winning day. I got the scoop from Ron Morris. It turned out that both of them were fishing in the same cove. One on one side and one on the other side. Ron always shares info. with his best friend, when on the water.

However, Saturday's tournament did not work out that way for Ron. Mike got into a big load of big bass and was catching one after the other, the way Ron reported.

Mike did not share any love. But the way Mike put it, he was loving every minute of it....LOL. I know they will patch things up by the next and last tournament of the year at Lake Fork on November 14th, 2015 from 6:15am to 3:00pm. Hope to see ya'll there:

Remember, if you're not hanging up, you're not fishing.
