Notes from the Office of the President

This is your president speaking. Let's talk about the tournament yesterday. We had a great tournament. So many fish caught on Richland Chambers after all those bad practices on Friday. Looks like something changed Saturday. The fish were biting. A big welcome to the guests that fished. I'll also make a special note regarding our standings and the leader, Logan Slaughter. What a great fisherman! A non-boater high school graduate from Highland Park and 2nd place finisher at the Texas High School Bass Association Championship last year earning a \$10,000 scholarship, he is putting a whipping on all of us. Congrats to Ryan Caines with his largest stringer ever at 23.57 lbs., including the Calcutta winning 7.84 lb. big bass. It must be that new Champion boat he has and the electronics! The Angler of the Year is really a tight race with only 2 tournaments remaining. Hope to see you all at PK in 2 weeks.

Remember, put the right bait in the right place, you get bit every time!

Yours for better fishing. JD
