## Notes from the Office of the President

Well it's been a long hot August and I am hopeful that fall is just around the corner. I would like to remind everyone that it's time to renew your fishing license before our next tournament scheduled for September 19th on Cedar Creek Lake.

Also, it's time to start thinking about Club Officers for the New Year and Next Year's new changes, if any need to be voted on.

I hope the fishing gets better. It has been an up and down year for our club. Just ask the top 6 that fished Cedar Creek this past Sunday. Lets hope for cooler weather.

'Till next time.....be safe.

J.D.

**Fun-Sun BCT Top 6 Tournament:** It was a lot of fun, however the fishing was pretty bad for the 6 of us. Maybe next year!

**Big Bass Bonanza and DFW Bassmasters Youth Tournament:** Oct 17 at Lynn Creek Park. Lets all show up and support the Optimist Club.

**Membership:** We currently have 37 members.

**Treasury:** Our current **Treasury** balance is \$1095.53. Looking forward to another great non-profitable year.

**Calcutta:** Our Calcutta has about \$62 in it. So get in while you can.

**Texas TBF Federation:** There has been some major changes with the Texas TBF and Bass Federation going forward starting October 1. Due to the changes we had to change the Top 6 in November to Bob Sandlin/Cypress Springs and it will be a 2 day, 3 weigh in event. Stay tuned!
