### Notes from the Office of the President

A report on our Annual Banquet:

We had a good turnout and some good food, we voted on some new rule changes, welcomed some new members and had a great night. Maybe next year we can reserve a room (Just for our Club and not with another group).

Lets all try to support our club and try to show up for all our tournaments next year. Thanks for all that you, as members, do.

Merry Christmas and I hope we all enjoy a Safe and Happy New Year. Hope to see everyone at our first tournament on Lake Fairfield.

Remember, put the right bait in the right place and you'll get bit every time.

J.D.

### Up Next:
