

Notes from the Office of the President

Our last individual tournament of the year. It was a tough tournament no doubt. Congratulations to all the winners. Remember our last tournament is a team event so get a good partner and let's have fun and hopefully we will have good weather. Lake Fork fall fishing should be good. Remember next month we will be taking suggestions for new changes for next year. Hope to see you there. Remember put the right bait in the right place and you will get bet every time. Yours for better fishing. JD
