

# **Potential Rule Changes for 2025**

## **Tournament**

\*\*Change all tournaments to Team Tournaments. One person can fish as a team but pays the team fee.

## **Club Standings**

\*\*Remove the point system and use weight totals only, or another method such as 1<sup>st</sup> place 100 points, 2<sup>nd</sup> place 99, and no fish will be 10 points less than the last place person weighing a fish to determine standings.

## **Weigh In & Conservation**

\*\*Change from a 5 fish limit to a 3 fish limit.

## **FEEs**

\*\*Raise fees?

\*\*Add a 5 dollar per tournament fee, which would go to end of year Championship. Qualification specifications TBD.

## **Tournament Date & Lake Selection**

\*\*Officers pick their lake and backup lake. Top 7 then pick a lake then their backup lake.

\*\*Change the way lakes are selected at the banquet.

\*\*Require half of the tournaments to be fished west of I35 and half east, but there are lakes between I35 FT Worth and I35 Dallas. Discuss.

\*\*Limit the number of times we can fish a lake in each year.
